§ 3602.13

UNAUTHORIZED USE

§ 3601.70 Unauthorized use.

§ 3601.71 What constitutes unauthorized use?

(a) Except as provided in paragraph (b) of this section, you must not extract, sever, or remove mineral materials from public lands under the jurisdiction of the Department of the Interior, unless BLM or another Federal agency with jurisdiction authorizes the removal by sale or permit. Violation of this prohibition constitutes unauthorized use.

(b) If you own the surface estate of lands with reserved Federal minerals, you may use mineral materials within the boundaries of your surface estate without a sales contract or permit only in the following circumstances:

(1) You use a minimal amount of mineral materials for your own personal use;

(2) You have statutory authority to use the mineral materials; or

(3) You have other express authority to use the mineral materials.

§ 3601.72 What are the consequences of unauthorized use?

Unauthorized users are liable for damages to the United States, and are subject to prosecution for such unlawful acts (see subpart 9239 of this chapter).

APPEALS

§ 3601.80 How do I appeal a final decision by BLM?

If a BLM decision adversely affects you, you may appeal the decision in accordance with parts 4 and 1840 of this title.

Subpart 3602—Mineral Materials Sales

APPLICATIONS

§ 3602.10 Applying for a mineral materials sales contract.

§ 3602.11 How do I request a sale of mineral materials?

(a) You may submit a written request for sale of mineral materials to the BLM office with jurisdiction over the

site containing the materials. No particular form is required for this request.

(b) BLM also may initiate a sale without a request under paragraph (a) of this section.

§ 3602.12 How does the mineral materials sales process affect other users of the same public lands?

(a) When BLM designates tracts for competitive or noncompetitive sale of mineral materials, and notes the designation in the public land records, it creates a right to remove the materials superior to any subsequent claim, entry, or other conflicting use of the land, including subsequent mining claim locations.

(b) The superior right under paragraph (a) of this section is part of all contracts and permits BLM authorizes within 2 years after the date we designate the tract. BLM may extend this 2-year period for one additional year for good cause. The right continues for the entire term of the contract or permit and any renewal term. The superior right under paragraph (a) of this section also applies to any subsequent contracts or permits that BLM authorizes within 2 years after the previous contract or permit expires or terminates.

(c) This right does not prevent other uses or segregate the land from the operation of the public land laws, including the mining and mineral leasing laws. However, such subsequent uses must not interfere with the extraction of mineral materials.

§ 3602.13 How does BLM measure and establish the price of mineral materials?

(a) BLM will not sell mineral materials at less than fair market value. BLM determines fair market value by appraisal.

(b) BLM may periodically reappraise the value of mineral materials not yet removed, and adjust your contract price accordingly. BLM will not adjust the price during the first 2 years of the contract. BLM also will not adjust the contract price during the 2-year period following any adjustment. However,
